Equity & Harm Reduction Project Manager
for CA Bridge

Charles Hawthorne

California Overdose Prevention Network (COPN) Impact Coach

Former CMO of the Redwood Community Health Coalition, UCSF Associate Clinical Professor, past president of Sonoma County Medical Association and past board chair of the Latino Coalition for a Healthy California.

**Mary Maddux-Gonzalez, MD,
MPH**

Learning Objectives

- To identify areas for growth in your organization's health equity practices
- To list one way that your organization can address health equity in your overdose prevention strategies
- To identify a strategy to meaningfully engage with members of your community with lived experience in substance use disorder

5 Big Ideas in Overdose Prevention

Reach People Where They're At
Be Willing to Pivot

Don't Reinvent the Wheel

Build Partnerships that Work

Invest in Health Equity

Reflection Questions

What does it mean to meaningfully engage the populations you're serving with equity in mind?

What has your own organization done to embody equity principles (i.e. practicing what you preach!)?

What are the biggest challenges or roadblocks that you're facing in practicing health equity?

5 Big Ideas in Overdose Prevention

Reach People Where They're At
Be Willing to Pivot

Don't Reinvent the Wheel

Build Partnerships that Work

Invest in Health Equity

Big Ideas in Overdose Prevention: Build Partnerships that Work

Tuesday, April 12, 2022
11:00 AM - 12:00 PM PT

The logo for the Overdose Prevention Network National is located in a white circle on the right side of the slide. It features the text "OVERDOSE PREVENTION NETWORK" in blue, with "NATIONAL" written vertically in a smaller font to the right. The word "OVERDOSE" is on the top line, "PREVENTION" is on the middle line, and "NETWORK" is on the bottom line. The letter "O" in "OVERDOSE" is green, and the letter "O" in "PREVENTION" is orange. There are three vertical dots between "OVERDOSE" and "PREVENTION", and three vertical dots between "PREVENTION" and "NETWORK".
